WHERE QUALITY MEETS RELIABLE SUPPLY

ASME

ARMAN SEPEHR MANA ENERGY

COMPANY PROFILE

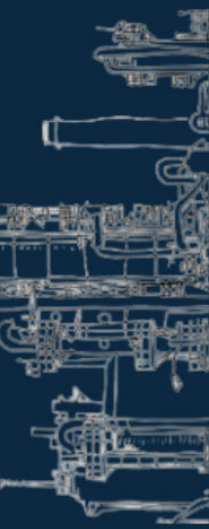
Relying on the expertise of its dedicated professionals, Arman Sepehr Mana Energy (AMSE) specializes in the procurement and supply of piping materials and equipment required by the oil, gas, petrochemical, power generation, steel, and mining industries, among others.

WHY CHOOSE US

Backed by effective commercial relationships with both domestic and international partners, our company is fully prepared to optimally fulfill our clients' requirements in the shortest possible time, ensuring the highest quality and the most competitive prices.

ENGINEERING SOLUTIONS

Equipped with a deep understanding of market dynamics and manufacturers, along with comprehensive knowledge of project requirements and reputable industry standards, our engineering team is ready to provide specialized and effective solutions for the optimal selection of products, equipment, and materials needed by various industries.



Our Vision

To become a highly trusted supplier of piping materials by consistently delivering premium quality products and ensuring absolute customer satisfaction.

Our Mission

To build sustainable relationships with reputable international vendors and secure official agencies, enabling us to provide the best products and services at the most competitive prices and in the shortest possible time. We are committed to offering comprehensive technical solutions and outstanding after-sales support to our clients.

Our Core Values

Quality

Supplying products that strictly comply with international standards, backed by rigorous quality control at every stage.

Reliability

Unwavering commitment to on-time delivery.

Transparency & Integrity

Providing accurate and clear information regarding technical specifications and pricing.

Customer Focus

Understanding client needs, offering customized solutions, and providing dedicated after-sales support.

Flexibility

Adapting to specific project requirements and maintaining the readiness to supply products in varying volumes and tight timeframes.

Extensive Supply Network

Collaborating with prestigious domestic and international vendors to ensure access to a wide range of products at competitive prices.

ARMAN SEPEHR MANA ENERGY

YOUR TRUSTED PARTNER IN PIPING PROCUREMENT

Pipes & Tubes

Product Range

- Seamless & Welded Pipes
- Carbon Steel, Stainless Steel & Alloy Steel Pipes
- Boiler & Heat Exchanger Tubes
- Line Pipes and Process Piping Materials
- Various sizes, schedules and material grades

PIPES & TUBES

PRODUCTS

ASME

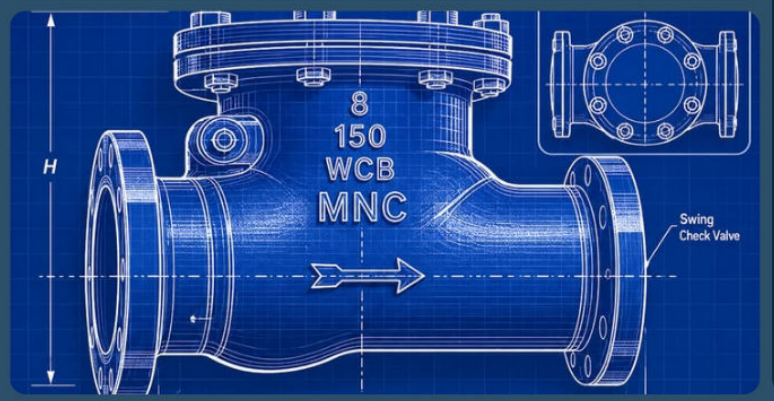
ARMAN SEPEHR MANA ENERGY

Products can be supplied in accordance with ASTM, ASME, API, DIN and EN standards, with required technical documents such as MTC, inspection certificates and project-specific quality records.

Valves

Product Range

- Gate, Globe, Ball and Check Valves
- Butterfly, Plug, Needle and Control Valves
- Safety and Relief Valves
- Flanged, Butt Weld, Socket Weld and Threaded Ends
- Carbon Steel, Stainless Steel, Alloy Steel and special materials upon request



VALVES

FLANGES

ASME

ARMAN SEPEHR MANA ENERGY

Flanges

Product Range

- Weld Neck, Slip-On and Blind Flanges
- Socket Weld, Threaded and Lap Joint Flanges
- Orifice and Long Weld Neck Flanges
- RF, FF, RTJ, MFM and T&G facing types
- Carbon Steel, Stainless Steel, Alloy Steel and special materials upon request

Fittings

Product Range

- Elbows, Tees, Reducers and Caps
- Stub Ends, Crosses, Couplings and Unions
- Weldolet, Sockolet, Threadolet and other branch connections
- Butt Weld, Socket Weld, Threaded and Forged Fittings
- Carbon Steel, Stainless Steel, Alloy Steel and special materials upon request

Gaskets

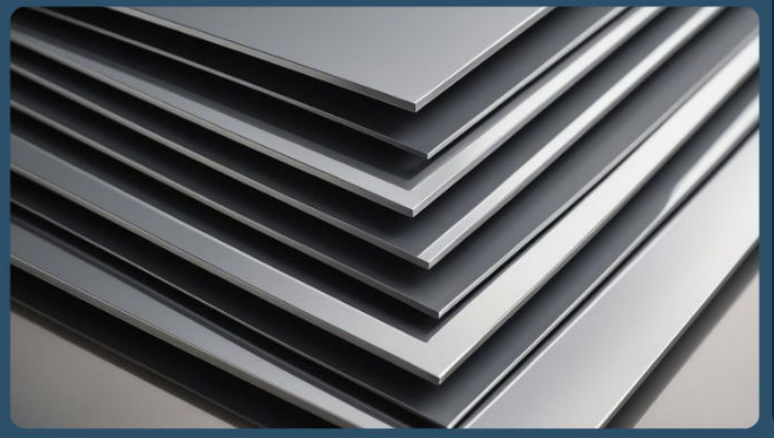
Product Range

- Product Range
- Spiral Wound and Ring Joint Gaskets
- Metal Jacketed Gaskets
- Non-Asbestos, PTFE, Graphite and Rubber Gaskets
- Insulation Gasket Kits
- Standard and customized dimensions upon request

Sheets & Plates

Product Range

- Carbon Steel, Stainless Steel and Alloy Steel Plates
- Pressure Vessel and Boiler Quality Plates
- Hot Rolled, Cold Rolled and Galvanized Sheets
- Wear Resistant and Chequered Plates
- Standard and custom sizes upon request



SHEETS & PLATES

BOLTS & NUTS

ASME

ARMAN SEPEHR MANA ENERGY

Bolts & Nuts

Product Range

- Stud Bolts, Hex Bolts and Heavy Hex Bolts, Heavy Hex Nuts, Washers and Threaded Rods
- U-Bolts and Anchor Bolts
- Carbon Steel, Alloy Steel, Stainless Steel and special materials upon request

BUILT ON QUALITY, DELIVERED WITH TRUST
